ATTACHMENT TO THE LETTER DATED 2 DECEMBER 1994 SIGNED
BY THE PERMANENT REPRESENTATIVES OF THE FIVE NORDIC COUNTRIES
TO THE UNITED NATIONS

The Nordic Governments propose, in accordance with article 26 of the Convention on the Elimination of All Forms of Discrimination against Women, that the States parties to the Convention decide on the procedure for considering the amendment sought to article 20 paragraph 1 of the Convention, including by stipulating the conditions necessary for adoption of an amendment and for its entry into force. This decision could be taken on the basis that:

If an amendment is adopted by the majority of States parties present and voting at the meeting, it shall be submitted to the General Assembly for approval, and that, if so adopted, the amendment shall enter into force when it has been approved by the General Assembly and accepted by two thirds of States parties;

When an amendment enters into force, it shall be binding on those States parties which have accepted it as well as on those States parties which ratify or accede to the Convention as amended after the date of the entry into force of the amendment and other States parties still being bound by the provisions of the Convention.
